

## Current Project Needs

This is a list of areas that need attention on our campus. Most everything on this list is outdoor projects. We also have several indoor projects. Just let us know if you are interested and we can definitely plug you in somewhere. If you would like to help or would like to organize a group to come, please contact Brady at 501-354-2428. We will put an estimated dollar amount beside each project. It's not required to pay for the materials but can be very helpful. If you would like to donate money for a project but do not have time or the ability to do the work, you can do that by visiting the link below. Be sure to leave a comment to what it is for. Thank you for your generosity and interest in helping the children at Southern Christian Children's Home. **Highlighted items have been completed.**
